Southside Motors is bringing an entirely new concept of automotive finance to Pittsburgh. We know bad things happen to good people: "divorce", "illness", "repossessions", "job loss" or even "tax problems". We have been in your shoes and we are proud to offer this program to help.

Why settle for a beat up ten-year-old car with over 120,000 miles from a Buy Here, Pay Here lot when our revolutionary program allows us to get you into a quality car, truck or SUV without even pulling credit. No Rust, No Dents, Just Quality Vehicles.

This program has helped thousands of people just like you all around the country. Call us today and schedule an appointment to come in and see what we can do for you. We are the only quality car dealership in the Pittsburgh area that will not turn you away based on your credit.
